

Acting Academy

Actor, Puppeteer and Magician

At the Acting Academy you will have the opportunity to become an actor, a puppeteer or a magician! Take part in a play, work the puppets or learn magic tricks! You will be able to rehearse and perform for friends and family in the theatre.

Advertising Agency

Visitors will learn how to create a print advert. Children will get familiar with the different roles within advertising and the relationship with a client.

Air Conditioning

Technician

Train to become a professional air-conditioning engineer and help keep the City at an ideal temperature for the KidZanians. Find out how air-conditioning works and then take to the pipes to repair a faulty unit.

Animation Studio

Stop Motion Animator

Bring your favourite Pokémon characters to life as a Stop Motion Animator in the Animation Studio where you can create your very own Pokémon movies.

Aviation Academy

Cabin Crew and Pilot

You can fly the skies with pilot training at the Aviation Academy, learning the crucial elements of navigating a real plane. You can also be part of the cabin crew for the flight and learn those famous safety instructions.

Bank *Customer and Cashier*

You have to earn your keep at KidZania! This means taking care of your own money. At the Central Bank of KidZania, you will be able to deposit any kidZos you have earned and open your very own bank account.

Beauty Salon

Hair Stylist and Customer

Learn to use your creative side whilst exploring roles in the hair and beauty industry. You can train as a hair stylist and learn the different techniques. Or spend your kidZos and have a luxury treatment instead!

**GOURMET
BURGER
KITCHEN**

Burger Shop

At the Burger Shop kids assemble their own hamburger with their own special sauce, which they can then take outside and eat.

Cadbury

Chocolate Factory *Chocolatier*

Work as a chocolatier in the Chocolate Factory! Learn about the history of chocolate, the origin of ingredients and even make real chocolate.

City Clock

Hand Bell Ringer

Learn the history of timekeeping and some basics of time zones. Your group will learn a hand bell ringing sequence, rehearse and then perform in the square

City Tour Bus

Tourist and Tour Guide

Be a tour guide and tell the KidZania story whilst travelling on the bus throughout the City, or relax and soak up the fun information as a tourist!

Climbing Building

Climber

See KidZania from a unique perspective by climbing the city's tallest buildings!

Fashion Stylist and Model

You will learn about the fundamentals of fashion, trends and self-expression through style. Grab the opportunity to be a fashion stylist and then take part in the fashion show or photo shoot.

Fire & Rescue Unit

Fire Fighter and Fire Inspector

Recognising the importance and practices of fire prevention and rescue is what this activity is all about. The alarm bells ring! You board the fire engine and rush to the Flamingo Hotel as it bursts into flames.

Fruit and Nut Bar Makery

Bar Maker

Learn about the origins of ingredients and the importance of wholesome food while helping to make a delicious cereal bar.

Games Room

Guest

There's always time for fun, games and relaxation in KidZania. In the Games Room you will have the opportunity to spend your KidZos to play games, such as bowling, air hockey and foosball.

Hospital and A&E

Surgery Team, Paramedic Team and Maternity Nurse

There is always plenty of action here! From nurses tending to newly born babies, to paramedics rushing to the scene of an accident and surgeons performing lifesaving operations; you will get a real taste of what it's like in the Hospital.

Hotel

Guest, Housekeeper and Receptionist

As an employee or guest of the biggest hotel in KidZania, you will explore aspects of front desk operations and housekeeping. You can even take part in the bed making challenge!

Ice Cream Factory

Ice Cream Technician

At the Ice Cream Factory kids learn about the ingredients that go into ice cream, how they are blended and even taste a sample of mini milk.

Kindergarten

Guest

An area for the under four year olds! Play games, solve puzzles and play a variety of musical instruments.

Medical Courier Service

Courier

You could save a life, both at KidZania and also afterwards in the real world when you visit the Medical Courier Service.

Metro Newspaper

Reporter

Read all about it! Hired as newspaper reporters, you are given the opportunity to scoop up the city's biggest stories and have them featured on the front page of the paper for everyone to see!

Music Academy

Drummer

The Music Academy offers kids a unique opportunity to learn about rhythms and how to play the drums.

Painting School

Artist

Get those paint brushes out! Learn about art through studio activities such as mural, portrait and stained glass painting.

Police Department

Forensic Investigator and Police Officer

Become a police officer and go out on patrol to maintain the safety and order for all KidZanians. Protect residents, respond to anonymous tips, follow mysterious clues, interview witnesses and crack the case!

Power Company

Maintenance Technician

To keep everything running smoothly, in the Power Station you will learn about energy sources, generation and safety, then learn to fix a fuse and restore power to KidZania!

Radio Station

Control Technician, Radio DJ and Producer

You will broadcast from Capital's Radio Station to the city of KidZania. You will learn to use professional studio equipment and run your very own radio show as the presenter!

Recycling Centre

Recycling Specialist

Do you know how to recycle paper? Here you will learn the importance of recycling and even make a piece of paper from scratch!

RightZKeeper's Residence

Guest

This is the place where kids under four can play and have fun. Dress-up in different outfits from the fancy dress box and get cosy in the living room watching a puppet show! There is also an inflatable bedroom and water trampoline in the bathroom.

Science Lab

Lab Technician

Combine different chemicals to make different bubbly, fun and fizzy products whilst learning the importance of cleanliness and hygiene.

Shopping Alley

Guest

Spend your hard earned kidZos in the KidZania Shopping Alley, buy arts and crafts, jewellery, souvenirs and novelties.

Smoothie Kitchen

Fruitologist

Through producing delicious smoothies, you will come across different types of fruit, identify where it comes from and make your very own smoothies. All ready to take home and share with the family!

Learn More

Stadium

Commentator, Athlete and Dancer

You can be a sports hero in KidZania's very own Stadium! KidZania commentators bring the games to life as they share their knowledge with the spectators whilst athletes are involved in sports from football to tag rugby as well as golf!

Supermarket *Cashier and Customer*

"Can a member of staff please report to aisle one!" Serve customers at the till and request assistance through the tannoy system, while customers can estimate their total bill and deciding to spend or save. Be involved in the shopping challenge too!

BANK OF ENGLAND

The Vault

Vault Guard Apprentice

As a guard you will identify counterfeit notes and can go out on a route delivering and collecting de-activated KidZos.

Theatre

Spectator

Friends and family take your seats as performers from the Acting Academy put on a fantastic show for you to enjoy.

TV Studio

TV Presenter

In our TV Studio kids take on jobs including producing, writing and anchoring a news broadcast for the city. Kids will learn how to use authentic microphones, Teleprompters and video cameras as they develop their communication skills.

University

Bachelor Degree Student

Earn more KidZos to spend by studying for a Degree or Masters through the University of KidZania.

Wrap Factory

Visit the Mission Deli Wrap Factory to learn how we make our delicious super soft wraps. From mixing the ingredients and kneading the dough to pressing the wraps, you'll get a chance to create your very own pack of wraps to take home and sh
